# Activity 2 Checklist - Coordinate a Safe Retail Panorama

## Before capture

[ ] Brief, audience, use and acceptance criteria understood

[ ] Permission/consent and privacy boundary confirmed

[ ] Lens clean; battery/storage/format checked

[ ] Mounts, lights, remotes and cables inspected

[ ] Safe operating area and stop condition agreed

## During capture

[ ] Focus and important highlights checked

[ ] Horizon, edges and background scanned

[ ] Variation set captured rather than one frame

[ ] Public movement and equipment stability monitored

## After capture

[ ] Sharpness, exposure, colour and artefacts reviewed

[ ] Required evidence saved with clear filenames

[ ] Privacy/confidential material removed from delivery

[ ] Acceptance criteria and peer/client feedback completed
