Activity 5 Evidence Log - Complete a Composition Photo Walk

Learner name: _____ Date: _____

Evidence table

File / frame	Purpose	Mode / lens	Focus & exposure decision	Composition	Pass / improve

Reflection

1. Which frame best meets the brief, and what evidence supports that decision?
2. Which technical or compositional variable changed the result most?
3. What one change will you make on the next capture?

Peer/trainer sign-off: _____
